

INTRODUCTION

The flags flown at Strathcona County facilities are to be treated with respect and dignity. Proper flag etiquette is required to ensure that the presentation and cultural significance of the flags are honoured.

Policy GOV-002-036 Flag and Lighting Protocol ensures the use of Strathcona County's Community Flag Pole and the manner in which Festival Place is lit is exercised in a consistent and appropriate manner. The Community Flag Pole is a designated flag pole that may be used to fly the County's flag, the flag or banner of community groups, or to honour special circumstances that do not fall within Canada Heritage's guidelines for lowering flags.

Community organizations are invited to apply to have a particular flag or banner flown on the Community Flag Pole and / or to light up Festival Place for up to 7 full days by filling out the attached application form. Any approved requests may be modified if a significant international death or event that has international, regional or local effect or import occurs.

- b) The exterior, coloured lights at Festival Place may be used to display colours related to a Community Group, a Community Group's event, or an event that has a connection to Strathcona County.
