Wireless Communication Facility - Application

It is important to read and understand the following before completing this form. Please contact Planning and Development Services if you would like more detail.

- 1 Make sure the application form is complete and includes the appropriate fees. These fees are set according to the Fees and Charges Bylaw approved by Council. Please contact Planning and Development Services for additional details.
- 2 You may need to include some of the following with your application.
 - a) A site plan prepared by a certified Land Surveyor, where required. The site plan needs to show:
 - ✓ dimensions at appropriate metric scale
 - ✓ legends and north arrow
 - ✓ legal land description of the site and adjacent lots
 - ✓ boundary/property line dimensions
 - ✓ proposed development relative to the boundaries of the site including setbacks and yard requirements
 - ✓ site coverage calculations
 - ✓ proposed access to abutting roads and on-site parking
 - ✓ dimensions and location of proposed site grades and drainage
 - ✓ existing buildings, roads, parking, rights-of-way and easements, floodplains, top of bank, and watercourses within or abutting the lot
 - b) Drawings to include foundation, elevations, cross sections and height by meters.
 - c) Additional plans and information may be required and requested due to the nature and magnitude of a proposed use.
- 3 Review of a proposal may be delayed if the form and/or additional information provided is incomplete. Should this happen we will need to contact you.

Payment information - The information below is collected and will only be used to make the authorized credit card payment for this approved one time amount. The information will only be copied, distributed or otherwise disclosed with prior approval. This information will be processed and then immediately destroyed.
