Feel free to use additional paper if more space is required to answer the following questions.

1. List the names of the three (3) garden champions, from separate households, who are the key organizers for the project.

2. Who would benefit from the proposed community garden and how?

3. Please identify any other organizations that would be involved in this project and describe what their involvement would include (i.e. expertise, construction, maintenance, financial, support, etc.).

4. Why are you requesting a community garden?

5. What impacts could this project have within the community?

6. Please include a list of all potential costs required to complete this project and how the group plans to finance the anticipated costs.

7. A plan will help the group move from idea to action. Please provide a brief description to how the group will accomplish the following:

a. How often do you plan to meet?

b. Do members of the community garden have assigned tasks?

c. How will you communicate your decisions to the other gardeners?

d. What are your goals for the community garden?

e. Do you plan to have regular activities (i.e. potlucks, weeding parties, garden workshop, donation to food bank, etc.)?

8. Please provide, on a separate sheet, a drawing of the garden showing the approximate size of the garden and the proposed number of plots. Standard size County garden boxes are 10 feet x 4 feet.
