See the results of the Youth Photo Contest!

We would like to extend a big THANK YOU to everyone who shared their beautiful photos. Over the summer we asked youth to send us photos of their favourite places in Strathcona County. We received over 50 entries and were overwhelmed by the wide range of amazing photos.

Stop by the Community Centre Atrium from September 14 to November 1 to see all the Youth Photo Contest entries! Select photos will be used in the County's updated Municipal Development Plan.

Shaping Our Future

Strathcona County is updating its **Municipal Development Plan (MDP)** which is the County's plan for the future. It sets out a clear vision for how Strathcona will grow and develop over the next 20 years or more, and guides decisions on key issues like conservation of the natural environment and investment in infrastructure and services.

Over a 10 month period, we are asking residents, business owners, and community stakeholder groups to share what they value most about Strathcona County and to weigh in on how the County can build on our strengths while planning for the future.
