All multi-family buildings and complexes within Strathcona County must comply with Waste Management Bylaw 39-2014. This Bylaw states that waste disposal, and paper or cardboard recycling must be accessible to all residents and current levels of waste diversion efforts must be maintained or upgraded.

Strathcona County Utilities collects the information to confirm the bylaw is being adhered to, as well as to find out if there are any opportunities for education and improvement. Based on the information given, we can provide suggestions and ideas on waste reduction and cost savings.

We are here to help you

Strathcona County Utilities has a Waste Diversion Program Liaison ready to assist you if you have any questions or problems with your waste diversion plan.

- I would like to hear more about how to divert additional recyclables from the landfill.
- I would like to learn more about upgrading my current plan and how to build an organics diversion program for my building.
- I wish my bills were lower. Can you help me understand my invoices better?
