- I rent or own a property with a private driveway in Sherwood Park or Ardrossan.
- I would like to join the Blue Broom Crew to prevent stormwater pollution and conserve water in my community.
- I will use the blue broom supplied to me by Strathcona County or my own broom to sweep my driveway instead of hosing it down.
- I would like to share my household's positive actions to prevent stormwater pollution by keeping an "I sweep, not spray" sign on my lawn.
- I can be contacted in the fall to see if I am still refraining from spraying my driveway and to give feedback about my experience in the program.
