

Strathcona County

Cerebral Palsy Day

Since 2012, communities across Alberta have come together to recognize World Cerebral Palsy Day. This annual event is designed to raise public awareness about the serious challenges that remain for people affected by cerebral palsy.

The Cerebral Palsy Association in Alberta (CPAA) services over 3900 members across the province, including within Strathcona County. They offer innovative opportunities for community inclusion, and take a proactive stance in building capacity for persons with disabilities.

Placing the utmost value on respect and dignity, the CPAA empowers members to live a 'Life Without Limits'. Members have access to informed and compassionate support services, health and wellness activities and community advocacy.

As a community, we can work together to create a bright, more just and sustainable future for our residents through empowering those affected by cerebral palsy to love, learn laugh and live their lives as full citizens.

Now therefore I, Mayor Rod Frank, do hereby proclaim October 6, 2018 as 'Cerebral Palsy Day' in Strathcona County.

Dated this 6th day of October, 2018.

Signed by
Rod Frank, Mayor
