

STRATHCONA COUNTY

Strathcona County

Dig Safe Month

Each year, the integrity of Alberta's underground infrastructure is jeopardized by damage during the ground disturbance activities by those who fail to **Click Before You Dig**. The consequences of damage to buried facilities can include service disruptions, environmental contamination, property damage, personal injury and even death.

The Alberta Common Ground Alliance and its members promote the principles of 'Damage Prevention Best Practices,' including the need to **Click, Tap or Call Before You Dig**. Ground disturbers, including contractors, homeowners and landowners can save time and money to keep our province safe and connected by following 'Damage Prevention Best Practices' including making that one simple call to **Alberta One Call**.

NOW THEREFORE I, Mayor Rod Frank, do hereby proclaim April 2018 as Dig Safe Month in Strathcona County.

Dated this 10 day of April, 2018.

Rod Frank, Mayor
