

Strathcona County

Disability Employment Awareness Month

Strathcona County recognizes that nearly 5.3 million Canadians, including 200,000 children and youth are living with some form of disability. Approximately 60 per cent of working age adults with disabilities are currently unemployed or out of the labour market.

We recognize that, as members of society, we all have unique skills and interests that make us valued members in our workplaces.

Disability Employment Awareness Month hopes to promote increased participation of Albertans with disabilities in our local economies, by supporting employers in promoting inclusive hiring practices and demonstrating their ongoing commitment to Albertans with disabilities.

NOW THEREFORE, I, Mayor Rod Frank, do hereby proclaim October 2019 as "Disability Employment Awareness Month" in Strathcona County.

Dated this 8 day of October, 2019.

Signed by
Rod Frank, Mayor
