

Strathcona County

Family Literacy Day

Research shows that parents have a strong influence on the development of literacy in their children. As such, reading opens doors to discovery and provides unlimited opportunities for adventure, enjoyment and learning for people of all ages.

Family learning helps maintain the literacy levels of adults and encourages the development of lifelong readers and learners. Solid literacy skills are vital to our community's economic and social development.

NOW THEREFORE, I, Mayor Rod Frank, do hereby proclaim January 27, 2018 as "Family Literacy Day" in Strathcona County.

Dated this 23 day of January, 2018.

Rod Frank, Mayor
