

Strathcona County

National Child Day

Strathcona County recognizes National Child Day to honor and commemorate children's rights.

National Child Day is celebrated on November 20 each year. National Child Day has been celebrated across Canada since 1993 to commemorate the United Nations' adoption of two documents centered on children's rights.

Celebrating National Child Day is about celebrating children as active participants in their own lives and in communities, as active citizens who can and should meaningfully contribute to decision-making. There are many reasons to celebrate children, but most of all because children deserve to be recognized as important members of our community.

This year's theme is: Children have the right to be seen and heard. Now more than ever it is crucial that we support the children and youth in our community, to let them know that they have a voice and that they should be celebrated.

THEREFORE, I, Mayor Rod Frank, do hereby proclaim November 20, 2020 as "National Child Day" in Strathcona County.

Dated this 20th day of November, 2020.

Signed by
Rod Frank, Mayor
