

Strathcona County

Public Works Week

Public works infrastructure, facilities and services are vital to the health, safety and well-being of the residents of Strathcona County.

Such facilities and services could not be provided without the dedicated efforts of public works professionals, engineers and administrators who are responsible for building, operating and maintaining the public works systems that serve our citizens.

The Public Works Association instituted Public Works Week as a public education campaign "to inform communities and their leaders on the importance of our nation's public infrastructure and public works services."

It is in the public interest of citizens and civic leaders to gain knowledge of the public works needs and programs of their respective communities.

Public Works Week also recognizes the contributions of public works professionals.

NOW THEREFORE I, Mayor Rod Frank, do hereby proclaim May 19 - 25, 2019 as Public Works Week in Strathcona County.

Dated this 1 day of May, 2019.

Signed by

Rod Frank, Mayor
