# Strathcona County

## Waste Reduction Week

Strathcona County recognizes the generation of solid waste and the needless waste of water and energy resources as global environmental problems.

Municipal and provincial governments have an important role to play in promoting waste reduction, reuse, recycling, composting, and other conservation measures.

Communities, businesses, and organizations across Canada have committed to working together to raise awareness of these issues during Waste Reduction Week in Canada.

**NOW THEREFORE**, I, Mayor Rod Frank, do hereby proclaim October 21 to 27, 2019 as "Waste Reduction Week" in Strathcona County.

Dated this 8 day of October, 2019.

Signed by

Rod Frank, Mayor
