

Strathcona County

National Public Safety Telecommunicators Week

The telecommunications personnel in the public safety community are honoured annually during the second week of April.

Our Emergency Communications Officers in Emergency Services and Telecommunicators Operators in RCMP and Enforcement Services are the first voice people in distress hear.

They are the voice of calm when you call 9-1-1 during times of emergency. They do their very best to help callers until other first responders arrive on the scene.

Their jobs are complex, exciting, stressful and fulfilling. And this week, we honour them and their dedication to our community. Thank you for your service.

THEREFORE, I, Mayor Rod Frank, do hereby proclaim April 10 - 16 as "National Public Safety Telecommunicators Week" in Strathcona County.

Dated this 5th day of April, 2022

Rod Frank, Mayor
