## Global Week of Inclusion

Global Week of Inclusion is a national initiative spearheaded by Special Olympics Canada to raise awareness of the isolation and exclusion Canadians with an intellectual disability experience and work to change conversations to include those with an intellectual disability in all facets of life.

Through the County's participation in Global Week of Inclusion annually, and as the host community for the Special Olympics Alberta Winter Games 2023, we actively participate in changing the conversation and involvement of County residents, Albertans and Canadians with intellectual disabilities.

Strathcona County will be hosting the first annual Global Week of Inclusion event on Saturday, July 23, 2022, at the Strathcona County Community Centre, showcasing regional community groups and organizations who provide inclusive and adaptive programs for those with intellectual and physical disabilities.

THEREFORE I, Mayor Rod Frank, do hereby proclaim July 19 - 25 as Global Week of Inclusion in Strathcona County.

Dated this 19th day of July, 2022.

Signed by

Rod Frank, Mayor
