## Emergency Preparedness Week

We all play an important part in keeping our families, businesses and community safe. When we are prepared as individuals, collectively we make our community safer and better prepared during an emergency.

Take the time this week to make or check your emergency preparedness plan and kit. Everyone should have enough supplies to be self-sufficient for at least 72-hours. Have enough food, water and supplies for each member of your household. Be prepared for anything.

Strathcona County Alerts is a free community notification system that will alert subscribers when action needs to be taken during a community emergency. Residents and business owners are encouraged to sign up to receive them.

THEREFORE, I, Mayor Rod Frank, do hereby proclaim May 1 to 7 as "Emergency Preparedness Week" in Strathcona County.

Dated this date 3 of May, 2022.

Signed by

Rod Frank, Mayor
