## Sexual Violence Awareness Month

Sexual violence is a devastating abuse which affects every member of our community. The purpose of Sexual Violence Awareness Month is to raise public awareness about the harmful impacts of sexual abuse and to give hope and support to survivors of sexual violence.

If we work together as a community toward prevention, we can hope for the day where sexual violence has been eliminated. Through education about respect and consent and ongoing supports and programs that provide healing for those affected by sexual violence, we can stop the trauma-violence continuum.

Strathcona County and SAFFRON Sexual Assault Centre are working together toward creating a community free from sexual violence its devastating impacts. We invite every member of this community to join with us in our commitment to ending sexual violence.

THEREFORE I, Mayor Rod Frank, do hereby proclaim May 2022 as Sexual Violence Awareness Month in Strathcona County.

Dated this 3 day of May, 2022.

Rod Frank, Mayor
