## Family Violence Prevention Month

Everyone has the right to feel safe. Family violence is a complex issue that impacts many in our community. Throughout November, Strathcona County and community partners lead the *Reach Out. Speak Out.* initiative, working together to raise awareness around family violence and how to offer and access support.

*Reach Out. Speak Out.* also encourages residents to identify the signs of healthy and unhealthy relationships, which is important in the prevention of, and early intervention in, family violence.

**THEREFORE** I, Mayor Rod Frank, do hereby proclaim the month of November 2022 as Family Violence Prevention Month in Strathcona County.

Dated this 25th day of October, 2022.

Rod Frank, Mayor
