## MOVEMBER

Movember is the leading charity changing the face of men's health. Uniting experts from around the world to collaborate on over 1,250 men's health projects that will fundamentally change the way men in need are treated and supported.

To ensure the impact is significant, far-reaching and long-lasting, funding is prioritized for the three biggest health issues facing men: mental health and suicide prevention, prostate cancer and testicular cancer.

Strathcona County encourages voluntary action to raise awareness in the community, by participating in your own Mo-moment and encouraging your loved ones to take healthy steps for a long life.

Therefore, I, Mayor Frank, do hereby proclaim the month of November 2022 as "Movember", in Strathcona County.

Dated this 25th day of October, 2022.

Signed by

Rod Frank, Mayor
