Canada's Agriculture Day

Canada's Agriculture Day is a day to recognize the work of all those who help produce the food that Canadians and people around the world eat.

Agriculture More Than Ever provides resources and a forum to share information, creating trust between producers and consumers and to celebrate Canadian food and agriculture together. Canadians from coast-to-coast are encouraged to show their love through social media using the official hashtag #CdnAgDay, to show their pride in agriculture.

THEREFORE, I, Mayor Rod Frank, do hereby proclaim February 15, 2023 as "Canada's Agriculture Day" in Strathcona County.

Dated this 14th day of February, 2023.

Signed by

Rod Frank, Mayor
