

Strathcona County

World Migratory Bird Day

World Migratory Bird Day is an annual campaign to increase public awareness that all of us can help mitigate threats to our wild bird populations as well as protect the lands that are essential in keeping birds safe and healthy throughout their annual migrations.

This year's theme – "Water: Sustaining Bird Life" – aims to address the link between water and migratory birds.

By recognizing World Migratory Bird Day, we continue to support our Bird Friendly Community campaign, ensuring our neighbourhoods are safe havens for birds rather than a source of threat.

THEREFORE, I, Deputy Mayor Aaron Nelson, do hereby proclaim May 13, 2023 as World Migratory Bird Day in Strathcona County.

Dated this 2nd day of May, 2023.

Signed by

Aaron Nelson, Deputy Mayor
