

4.4 BREMNER

*Section 4.4
amended by
Bylaw 2-2019*

GOAL

Bremner will be a complete community that is green, connected and diverse. It will incorporate green infrastructure, open space and urban agriculture into each community and neighbourhood. Communities and neighbourhoods within Bremner will be designed for compact, mixed-use and transit-oriented development. The design of communities and neighbourhoods will encourage all residents to utilize active transportation for their daily living by creating a distinct Town Centre and smaller Village Centres that will provide residents with a variety of services, amenities, education and employment opportunities in close proximity to where they live.
