

Emerald Hills Community Garden

2022 YEAR-END SURVEY RESULTS

The Emerald Hills Community Garden is one of 20 gardens in the County's Community Garden program.

Survey Results

In October 2022, members of the Emerald Hills Community Garden had access to a survey to evaluate the past growing season. The survey link was sent to the community gardener members. There were 24 survey responses (13 complete and 1 partial).

"I am very thankful for the community garden as I rent a small apartment and have been able to garden for the first time since I was a kid. My garden produced a lot of healthy food and I gave some away. Also had some good conversations with people who passed by. I wish there were ten times as many community gardens everywhere."
