

# South of Wye ARP Project

STRATHCONA  
COUNTY

## The Phase 3A What We Heard Report is complete!

Phase 3A of public engagement for the South of Wye ARP Project took place from April 20 to May 10, 2021.

Thank you for providing your feedback on the three potential land use concept scenarios for the South of Wye ARP Project!

You can find the full Phase 3A What We Heard Report on the South of Wye ARP Project [webpage](#).

## Priorities Committee Meeting

On June 22, 2021, the Strathcona County Priorities Committee will be provided with an overview of the three potential land use concept scenarios, as well as the Phase 3A public engagement results for the South of Wye ARP Project.

To view the agenda package and to watch the upcoming Priorities Committee Meeting, please visit the [Agenda Packages, Minutes and Webcasts page](#).

## Next steps

Based on the feedback received from the Phase 3A public engagement on the potential land use concept scenarios, we will prepare a recommended land use concept, which will be shared with the public in Phase 3B engagement.

The tentative schedule is to present the recommended land use concept to the public for review and feedback in the fall of 2021.

Learn more about the South of Wye ARP Project and sign up for the project e-newsletter by visiting the [project webpage](#):

## Did you know?

### What is open space?

Means public lands that provide social and environmental benefit and may include outdoor infrastructure that provides an identity or sense of place for the community. Open space may include, but is not limited to, landscaped areas, natural areas, active and passive recreational areas and outdoor community gathering spaces.

### What is medium density residential?

Means triplex, stacked townhouses, row housing and apartments less than five storeys.

### What is high density residential?

Means apartments greater than four storeys.
