WHAT YOUR CHILD NEEDS EACH DAY

For every camp

- Send a nut-free light snack and water bottle for your child each day. Full day programs require two separate nut-free snacks and a lunch for your child.
- Bring clean rubber-soled shoes for indoor sessions. For health and safety reasons, bare feet, flip flops and sandals are not permitted.
- We request that your child wear protective clothing and that sunscreen and/or insect repellent be applied to your child prior to class. Programs operate regardless of weather. Instructors will inform parents of outdoor activities. Please dress your child accordingly for outdoor activities.
- Parents will need to complete all applicable forms.

For select camps

- Camps may include a swim component, so please send your child with a bathing suit and towel when specified.
- For dance classes, please bring clean indoor dance shoes for indoor sessions (for health and safety reasons, bare feet, flip flops and sandals are not permitted).
- Special equipment such as a bicycle, scooter or ice skates may be required as indicated in the camp information. CSA approved helmets are mandatory.
- Bussing for all SWC full-day camps is included from the Sherwood Park Arena and departs at 8:30 a.m. and returns at 4:30 p.m.

Pre and post-care available for full day camps

For the convenience of working parents, pre and post-care are offered for children registered in full-day, week-long camps. Hours vary according to camp and location. Please refer to details provided on Recreation Online.
